MSc Mathematics/Mathematics & Financial Modelling
Student-Staff Exchange Meeting
12th December 2016

Maura Paterson (programme director), Sarah Hart, Ben Fairbairn, Andrew Bowler
Amarpreet Rattan, Steve Noble
Henry Price (student rep for Financial Engineering modules)
Cassie Fernandes (minutes)

MP: Students should remember to check they have been entered for the correct
modules on their My Birkbeck profile, and that they have confirmed their modules
on-line, otherwise they won’t be entered for Exams.

MP: For students doing final year dissertations, you should be making arrangements
with your supervisors to do the preliminary presentations, by the end of this term.

MP: We’ll close this meeting, if there are no comments from students.
