PROCEDURE AGREEMENT BETWEEN BIRKBECK COLLEGE AND THE BIRKBECK COLLEGE ASSOCIATION OF UNIVERSITY TEACHERS IN RESPECT OF ACADEMIC AND RELATED STAFF EMPLOYED BY BIRKBECK COLLEGE

PREAMBLE OF GENERAL PRINCIPLES

1. It is the spirit and intention of the Agreement to foster the best possible relations between Birkbeck College, University of London (hereinafter referred to as the "College") and the Birkbeck College Association of University Teachers (hereinafter referred to as "the Association") and to this end to provide a mutually understood method of discussion, consultation and negotiation. The Agreement relates to:

   - all academic staff engaged in teaching and/or research; and
   - all Administrative, Library or Computer staff who are employed on academic-related conditions of service; and
   - such other staff as may be agreed by both sides;

2. All local conditions of employment of academic and related staff shall be covered by this machinery with the exception (other than for their interpretation and application) of matters which are negotiated at national and/or University of London levels.

3. Both the College and the Association accept that the provisions of this Procedure Agreement carry the obligations to arrange discussion under the machinery provided as quickly as possible with the aim of settling the issue as near as possible to the point of origin.

4. Reasonable facilities shall be granted for recognised Association representatives to discharge their responsibilities under this Agreement, including in particular:

   (a) facilities for a local Association representative to leave the place of work during normal working hours in the course of Association duties within the terms of the Agreement, subject to obtaining prior permission from the Chairman of (Academic) Department or Head of Administrative Section* or nominee, such permission not to be unreasonably withheld; the number of representatives to whom these facilities are to be granted shall not exceed 9 (for the pursuit of all branch Association matters, including health and safety) and their names and departments shall be notified in writing to the Personnel Officer before the beginning of each academic year. The Personnel Officer will then notify the relevant Chairman of (Academic) Department or Head of Administrative Section * or nominee. Changes in representatives during the academic year shall be similarly notified;

   (b) accommodation for Association meetings, where possible.

   (c) noticeboard(s), which should be provided for official Association business;

* ‘Administrative section’ includes Central Computing Services and the Library.
5. If a dispute arises between the Association and the College, there shall be no stoppage of work, strike, lock-out or any other industrial action by either party and no alteration shall be made by the College in the contractual and customary Conditions of Employment at issue until both parties agree that discussions in joint committees (the arrangements for which are specified in sections 9 to 18 of this Agreement) have been exhausted. Nothing in this Agreement shall preclude the Association and its members participating in official action called for by the National Association of University Teachers.

6. The right of any employee, whether a member of the Association or not, to request a personal interview with a representative of the College will in no way be limited by these agreements.

7. Amendments to this Agreement may be made at any time with the consent of both parties.

8. This Agreement, which shall supersede all previous Agreements, shall commence on …1/6/96… and shall continue in force until 12 months' written notice of termination be given by either party to the other.
