

The Patrick McAuslan Scholarship

About

The Patrick McAuslan Scholarship is awarded annually to a student who has successfully applied for the LLM International Economic Law (intensive – Justice and Development pathway); has proven interest or experience in Patrick's research areas; and is from East Africa.

Prof. McAuslan

Professor McAuslan was a founding staff member of the School of Law in 1993 where he taught and researched until his death in 2014. Patrick was a pioneer and world expert in land law, law reform, sustainable development, the alleviation of poverty, and planning law.

To commemorate his extraordinary contribution, the School established the Patrick McAuslan Scholarship.

'It was brilliant to hear all the views and experiences that other students shared from their home countries. There was a real international mix with students from an array of backgrounds, including the US and Jamaica. I think it is such a brilliant idea.'
