Briefing on Safeguarding

Overview

The College has a number of procedures and guidelines that have been agreed to work towards ensuring fulfilment of the duty of care towards students. This briefing is for staff who wish to have a better understanding of their responsibilities within these guidelines.

Learning Outcomes

By the end of the event participants will have:

- An understanding of what is meant by safeguarding and what types of issues need to be raised with the College as causes for concern
- An understanding of the legal and ethical considerations around safeguarding issues
- An understanding how and where to raise a safeguarding issue or other cause for concern about a member of the College community
- An overview of how the College can support vulnerable students

The event will be run by Eleanor Mongey, Head of Student Services and Simon Deville, Deputy Head of Student Services.
