Recruitment and Selection for Academics

Overview

This mandatory half day workshop has been designed for academics who are participating in a recruitment panel. This workshop will cover all the salient points of recruitment and selection. Participants will need to be familiar with the current Birkbeck Recruitment and Selection Guidance Notes and Recruitment Policy prior to attending.

Learning Outcomes

By the end of the event you will:

- Have a clear understanding of how the Recruitment and Selection process operates
- Understand how the legislation fits with the Recruitment process
- Understand how the Disability Confident system operates within the College
- Understand the roles and responsibilities within the process
- Understand and be able to formulate effective questions as an interview panel member
