You must be planning to complete your course in no more than twice the time it would take you to finish it on a full-time basis. If you are studying at a faster rate than this, you may be able to receive more Tuition Fee Grant, subject to your financial circumstances. Data Protection Act 1998

The Student Loans Company (SLC) is a Data Controller under the Data Protection Act 1998. We hold information for the purposes specified in our notification to the Information Commissioner including determining eligibility for student finance, assessing the maximum amount of financial support available, payment of student finance and the detection and prevention of fraud, and may use this information for any of these. The Department for Innovation, Universities and Skills (DIUS) is a joint Data Controller for your information.

If false or inaccurate information is provided and fraud is identified, details may be passed to fraud prevention agencies to prevent fraud and money laundering. We may share the information you have given us with organisations including the Local Authority (LA), DIUS, other Government bodies and the university or college for these purposes.

We may also get information about you from other organisations. If so, it will only be for the purposes described and as the law permits us to do.

For more detailed information about with whom we share your information and for what purpose, go to www.direct.gov.uk/studentfinance-dataprotection.

Information about data sharing for bursary and scholarship purposes

Universities and colleges will be offering financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - 'bursary administration purpose') they will ask the Secretary of State, the student's local authority or Student Loans Company for access to information you provide in connection with this application for student finance (whether on this form or at a later date). We will share the relevant information with them, unless you indicate that you do not wish us to do so by ticking the box on the declaration. If you do not give consent for us to share this information, the payment of any bursary or scholarship to which the student may be entitled will be delayed.

Changes of circumstance

You must notify SLC (or your Local Authority where appropriate) about any change in your circumstances which may affect the student's entitlement to financial support. The most common changes of circumstance would be if:

- you are absent from the course for more than 60 days because of illness;
- you are absent for any other reason;
- you leave, abandon or are expelled from the course;
- you stop attending the course and do not intend, or are not allowed, to return for the rest of the academic year;
- you transfer to a different course at the same, or a different, university or college;
- you transfer from a full-time to a part-time course;
- you repeat part or all of a year of your course; or
