

OLAAF 2: Schedule of Events

19th and 20th November 2004

The London Knowledge Lab

23-29 Emerald Street, WC1N 3QS

<http://www.londonknowledgelab.ac.uk/contacts/index.html>

Day 1: FRIDAY 19th

1. Arrive at the Knowledge Lab [ca. 1145]
2. Buffet Lunch [1200 to 1300]
3. FAST Project workshop [1300 to 1430]
 - Prof Steve Swithenby from the FDTL4 project, *Formative Assessment in Science Teaching* (FAST), will give a presentation and workshop on the FAST framework.
4. Break [1430 to 1500]
5. Year 3 Plan [1500 to 1600]
 - How do we ensure OLAAF optimises its contribution to the HE community?
 - What are our obligations and how do we meet them?
 - Discussion of Year 3 dissemination events, especially:
 - *Assessment in Science Teaching: Technological Solutions?* To be held on 1 Dec 2004 at Loughborough. OLAAF is a co-sponsor.
 - *The Science Learning and Teaching Conference 2005*. To be held 27 and 28 June at Warwick. OLAAF is a co-sponsor.
6. Break [1600 to 1615]
7. Case Study Planning, Round 2 [1615 to 1715]
 - A follow-up from 23rd Sept 2004 meeting of Site Leaders
8. Dinner from 1930 at Ciao Bella, 86-90 Lamb's Conduit Street

Day 2: SATURDAY 20th

9. Assessment Construction Resources [1000 to 1045]
 - Examination of "OLAAF Briefings" topics and other ACR materials
10. Presentations [1045 to 1230, including break]
 - New, more user-friendly TRIADS question shell
 - A case study in conversion of paper-based assessments in a geochemistry module to TRIADS-based assessments
 - Using the AEQ and SPQ to survey students' study behaviour in a module featuring frequent TRIADS CBA (preliminary outcome)
11. Lunch & Away! [1230]
