Introduction

1. The following constitute the terms and conditions of study on taught and research programmes offered by Birkbeck, University of London (“the College”). These terms and conditions and any procedures or policies referred to in them – together with: (i) any written offer communication from the College (‘offer’); (ii) any communication issued by UCAS that confirms acceptance of the offer (‘confirmation letter’); (iii) the online prospectus as at the date we make an offer to you (‘prospectus’); and (iv) the College’s confirmation of enrolment communication – form the contract made between the student and the College (the ‘contract’).

2. Enrolling on a programme or module of the College and/or accepting the offer signifies that the student accepts the terms of the contract.

3. The College has a number of regulations, policies, guidelines and frameworks outlining the agreed practices of the College. By enrolling on a programme of the College and/or accepting the offer and thereby agreeing to these terms and conditions, students agree to comply with these regulations, policies and frameworks at all times (as amended from time to time). The regulations, policies and frameworks referenced in this paragraph can be located at http://www.bbk.ac.uk/registry/policies.

4. Students are subject to the provisions of the College's Safeguarding Policy, Freedom of Speech Policy, Student Discipline Policy and Dignity at Work & Study Principles. Any student failing to meet their responsibilities as defined in these documents, or failing to meet the College’s expectation that students will ‘maintain a standard of conduct which is not harmful to the work, good order or good name of the College’, may be the subject of disciplinary action and are liable to have their enrolment terminated.

5. If a student does not enrol within 28 days of the start of the term that their programme or module begins the College reserves the right to withdraw services, refuse to enrol the student and terminate the registration of the student from his/her programme (without liability). Students who are not enrolled are not entitled to attend classes or participate in assessments for any modules.

6. In the event that the provisions of these terms and conditions conflict or are inconsistent with the provisions of any other documents forming part of the
contract, the provisions of these terms and conditions shall prevail and the student shall comply with the provisions of these terms and conditions.

7. There are some specific terms that apply to students on a programme of study as part of an apprenticeship programme:

   a. Students on an apprenticeship programme are not liable for tuition fees and are not required to set up payment arrangements to enrol. The associated employer is liable for the payment of tuition fees for these programmes. Students on an apprenticeship programme who leave their employment with the named employer in the apprenticeship agreement and who then choose to continue their studies will become liable for fees as per these Terms and Conditions of Study and the College Fees Policy.

   b. Students on an apprenticeship programme are admitted to a programme of study, following a referral from the employer and a subsequent offer of a place from the College.

   c. It is necessary for Birkbeck to supply information about each student’s progress on an apprenticeship programmes directly to their associated employer.

Admissions

8. The offer of a place on a programme that the College makes to the student is subject to the student satisfying the academic and/or non-academic requirements for admission prescribed by the College in the offer. The offer may be conditional or unconditional. If the offer is conditional, the College will set out the conditions in the offer the student needs to fulfil in order to be enrolled on the programme. If the student has not fulfilled the conditions of the offer before the date notified to the student in the offer, the College reserves the right to withdraw the offer.

9. Following an offer of a place, an invitation to enrol may be subject to additional written confirmation or independent documentation that there are no ambiguities regarding a student’s eligibility to pay a tuition fee, to receive tuition fee funding, their fitness to study or their identity.

10. The College may withdraw or amend any offer or terminate a student’s subsequent registration as a student of the College, without liability to the student, if the College discovers that the student’s application contains material inaccuracies or fraudulent information or if the student is found to have omitted key information from his/her application. No refund of fees will be made in such circumstances, beyond that provided for in the College’s Fees Policy.
Cancellation

11. Students retain the right to cancel the contract in accordance with the Cancellation Procedure as set out in the College’s Fees Policy.

Registration and Enrolment

12. All students are required to formally register with the College. Students are only required to register once before commencing their programme of study or module. To complete registration a student must provide appropriate identification documentation (ID) to confirm their identity and their eligibility to study in the UK. Details available here: http://www.bbk.ac.uk/prospective/downloads/registration-guidelines

13. Students who are subject to an application process as part of admissions onto their programme (programme enrolment) may be required to submit documentary evidence of the qualifications which were accepted as entry to their chosen programme of study.

14. If a student’s name has changed since they were awarded their degree or other qualification accepted for entry, they must also provide evidence of their name change. This would normally be, for example, a Marriage Certificate, Deed Poll document or Statutory Declaration.

15. The student’s registered name as confirmed in their ID documentation will be used in all correspondence and will appear on the final award certificate.

16. The College reserves the right to cancel the registration of any student whose documents do not meet the registration requirement, or if a student fails to submit the required documents within the designated time frame.

17. Students are required to enrol onto their programme of study on an annual basis; enrolment is the process of students confirming their identity, providing necessary personal details, agreeing payment and confirming agreement with College regulations and policy.

18. When enrolling, students will be required to pay fees, set up a payment plan or identify whether fees will be paid at a later date by a 3rd party (i.e. by a sponsor or by a student tuition fee loan or grant). The option to enrol on the basis of fees being paid at a later date by a 3rd party is available if criteria are met for the relevant scheme; potential eligibility for each scheme will be assessed during the enrolment process. By enrolling on this basis students agree to provide truthful answers to the questions asked during enrolment and to comply with the appropriate instructions within the specified timeframe for the chosen option(s). Details of the required next steps after enrolment and timeframes in which further information is required are available in the confirmation of
enrolment provided to the student. In the event that payment is not received within the expected timeframes from the identified sponsor, the payment of fees will become the student’s responsibility.

Programmes of Study

19. Students enrolling onto a programme of study will be entitled to attend classes and participate in assessment for all modules on which the student is enrolled, subject to confirming their identity and making payment of their fees as and when they fall due.

20. Where a programme lasts for longer than one academic year, students must enrol on an annual basis. An invitation to enrol will be sent to all eligible students annually.

21. Students will be assessed in accordance with College regulations, policies and frameworks, as outlined at http://www.bbk.ac.uk/registry/policies. For programmes that last for longer than one academic year the College will consider the student’s academic performance annually, in accordance with the College Policy and Procedure for the Termination of a Student’s Registration; where the College judges that a student’s registration should be terminated on academic grounds, any future enrolment at the College would be subject to the College's admissions procedure. If a student's enrolment is cancelled on academic grounds the student will not be entitled to any reduction in fee liability over and above that provided for in the College's Fees Policy.

22. The College may also apply the Policy and Procedure for the Termination of a Student’s Registration during the course of an academic year, and terminate a student’s registration in accordance with that policy without any refund over and above that provided for in the College's Fees Policy.

23. Any student whose enrolment has been terminated is no longer entitled to attend lectures or classes, to use the College's Library or computing facilities or University of London (“University”) facilities or services, to submit assessments, to take tests/examinations, or to proceed to any degree, diploma or other award of the College or of the University.

24. Information provided by students is held by the College in its original, electronic and other formats and is processed in accordance with relevant legislation, including the Data Protection Act 1998, as well as the College’s Data Protection Policy and Code of Practice.

25. The College has a requirement to provide data about you to 3rd parties for legal and operational purposes. The College shall use student data in accordance with the Student Data Collection Notice.

26. Where an enrolment ceases or lapses we will retain registration details, academic performance history plus information relating to the payment of fees.

The Union provides representation, clubs and societies, services, and independent advice. Further details on the benefits of BCSU membership are available at www.birkbeckunion.org. The College automatically passes your data to BCSU unless you instruct us otherwise.

30. Once a student has accepted the offer and/or enrolled as a student of the College, the College will use all reasonable endeavours to deliver the student’s module or programme as per the terms of the contract.

31. The College will not normally make material changes to modules or programmes that students have agreed to study except where the changes will benefit the student experience or changes are necessary due to circumstances outside of the control of the College. Where material changes are necessary or proposed, student representatives will be consulted and the College will provide appropriate support and guidance.

Original Documentation

32. The College reserves the right at any time to require a student to submit original documentation to support any claims made by a student during the
application and enrolment processes, or at any time during the student’s studies.

Student Images

33. For identification purposes on student ID cards and electronic student records, students need to supply a recent image that clearly shows the face of the individual and that represents their own face. i.e. no other individuals in the image, no cartoons and no celebrities. We reserve the right to delete images that are considered to be unrepresentative or misleading and to request an alternative image.

Services, Facilities and Liability

34. Use of any Birkbeck IT facilities and Library facilities assumes acceptance of the Birkbeck College Computing Regulations and library regulations respectively. These are available from the ITS Helpdesk, the library helpdesk and on-line at http://www.bbk.ac.uk/its/regs and http://www.bbk.ac.uk/lib/about/regs

36. You must not create, download, store or transmit unlawful material, or material that is indecent, offensive, defamatory, threatening, discriminatory or extremist. The College reserves the right to block, remove or monitor access to such content

37. The provision of a facility or service including accommodation may be subject to an additional charge (i.e. separate from programme fees). Where this is the case, the College will make this clear in advance and payment for such service shall be made in accordance with any additional contract made between the student and the College.

38. Whilst the College takes all reasonable care to ensure the safety and security of students, the College cannot accept responsibility, and expressly excludes liability for loss or damage to students’ personal property (including computer equipment and software), including any financial or other consequential loss where such loss or damage is a result of theft, fire, flood, computer virus or any cause related to our computer facilities, or any other cause, except where such loss or damage is caused by the College’s negligence. Students are advised to insure personal property against such risk of loss and damage.

39. The College shall not be held responsible for any injury to a student, financial or other loss or damage resulting from such injury, or for damage to property,
caused by any other student, or by any person who is not an employee or
authorised agent of the College.

40. The College shall not be liable for failure to perform any obligations under the
contract if such failure is caused by any act or event beyond the College’s
reasonable control ("Force Majeure Event"). If the College is the subject of a
Force Majeure Event, it will take all reasonable steps to minimise the disruption
to students.

Lecture Capture

41. The College may record, store and make available to students, staff and visitors,
video and audio recordings of instances of learning and teaching where you
may be present.

Intellectual Property

42. Under normal circumstances, the College would be the body seeking to protect
the IP generated by research projects undertaken by our researchers. However,
there are instances where this does not apply. Examples include publication
(where the College normally passes copyright to the publisher), research
projects undertaken by students (where the IP automatically belongs to the
student unless they have chosen to assign it to the College), and collaborative
projects (where IP arrangements will be agreed between all parties as part of
the collaboration agreement).

Complaints Procedure

43. If an applicant or student has a complaint about the College, the student
should follow the Student Complaints Policy and Procedure. This procedure
has been produced to help the College resolve any complaints you may have as
promptly, fairly and amicably as possible. If, having followed the complaints
procedure to completion a student remains dissatisfied the student has the
right to make a complaint to the Office of the Independent Adjudicator for
Higher Education.

General

44. The terms of the contract shall only be enforceable by the student and the
College.

45. The contract constitutes the entire agreement between student and the College
in relation to its subject matter.

46. No failure or delay by the College or the student to exercise any right or
remedy provided under the contract or by law shall constitute a waiver of that
or any other right or remedy, nor shall it prevent or restrict the exercise of that or any other right or remedy.

47. If any provision or part-provision of the contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision shall not affect the validity and enforceability of the rest of the contract.

48. The courts in England and Wales will have exclusive jurisdiction to settle any dispute or claim arising out of or in relation to the contract and that in any such proceedings these terms and conditions and the contract into which they are incorporated will be governed by and interpreted in accordance with the laws of England and Wales.
Additional Terms and Conditions for International, Tier 4 Visa - students

The following terms and conditions apply to all students who have been issued a Confirmation of Acceptance for Studies (CAS) by Birkbeck.

Deposits

49. Overseas students who require a UK Tier 4 visa to study and are not funded by a scholarship or studentship are required to pay a deposit when accepting an offer to secure their place.

50. Details of the deposit scheme and terms and conditions are available here:  
http://www.bbk.ac.uk/international/visa/deposit

Withdrawal

51. The College is required to withdraw sponsorship of a student’s Tier 4 visa if they do not comply with Home Office rules, including but not limited to:
   a) overall attendance is not deemed to be acceptable;
   b) registration has been terminated, or you withdraw or commence a break in study;
   c) successful completion of programme of study in a shorter period than originally planned.

52. Refunds will be made to students in accordance with the College's Fees Policy.

53. If a student chooses to withdraw from his/her studies or if a student’s registration is terminated by the College, this could affect the validity of a student's visa and the student's ability to enter and/or remain in the United Kingdom.

Visa Applications

54. Unless a student receives further leave to remain, they should normally complete their programme of study within the timeframe specified on the Confirmation of Acceptance of Studies.

55. If a student’s visa expires before their programme of study is completed and they need to apply for an extension on their visa to complete their studies, the College will assign a new Confirmation of Acceptance of Studies to enable them to apply for UK entry clearance/leave to remain as a Tier 4 student, provided that they satisfy the following conditions:
a) in the reasonable opinion of the College, they are making satisfactory progress in their studies;
b) they have complied with all rules, regulations and requirements as stipulated by the Home Office and by the College regarding student visas;
c) they are not a debtor to the College; and
d) we have no grounds to believe their visa application could be refused.
Registration

56. New Students: All international students who are sponsored on a Tier 4 licence must follow the procedure for registration here: http://www.bbk.ac.uk/international/visa/deposit

57. All international students who require immigration permission to study in the UK must present a valid UK visa or equivalent to the College before completing enrolment. This visa should normally cover the full length of the student’s course of study. If the visa expires before the expected course end date, a new visa must be provided before the expiry date. If the student does not provide visa documentation to cover the full study period their enrolment may be cancelled by the College. In such circumstances the student may be liable for a refund as per the College's Fees Policy.

58. Continuing students who have been issued with a second CAS must provide proof confirming submission of the visa application form, such as proof of posting and/or email confirmation from the Home Office, and keep us updated on the progress of the application. After the application has been submitted, the Home Office will issue a biometric appointment letter and in turn a biometric ID card. Students must provide each of these documents to the College immediately on receipt.

59. All students will be required to complete a termly registration session at the My Birkbeck Student Centre. These will take place at the start of each term.

Consent

60. Occasionally the College will need to contact the Home Office to clarify details on outstanding visa applications and previous immigration history. By accepting these terms and conditions of study, you consent to providing the College with permission to contact the Home Office on your behalf and for the Home Office to release information to College.
