UCL - Gower Street, WC1E 6BT

Information for Students

Students are required to have Birkbeck ID with them at all times whilst on site at UCL, and failure to produce this may lead to students being excluded from buildings or facilities. During the first 2 weeks of term a letter confirming enrolment on a course on Birkbeck headed paper will be sufficient.

Information for Lecturers

UCL has a large estate and often bookings can be a reasonable distance from Birkbeck. I would be most helpful if you could arrive 10 minutes early for lectures so that you can assist with any issues relating to student access, or AV problems.

Some buildings have time locks and doors so it is imperative that the timings of the class are adhered to, as overrunning may lead to issues exiting the building.
