***1. What do you hope to get out of this course?***

***2. Please list, with reasons, any members of the Department's academic staff that you would particularly like to work with for your dissertation. (For details of staff research interests see: <http://www.bbk.ac.uk/psyc/staff/academic/>)***

***3. Please give an account of a research project that you have been involved in. This may be your undergraduate research project, a research project from a previous Masters degree, or a research project from some previous employment. Include a brief account of appropriate background information, the research hypothesis or research question, the methods used, analyses undertaken, and main results or implications. If your involvement in the project was as part of a team, then be clear about your own contributions and the contributions of others. [Guideline length: 500 words; Attach additional sheets if necessary]***
