Admissions Exercise for MA Film Programming and Curating

In order to assess candidates’ suitability for this postgraduate course, we ask every applicant to provide the following entrance task:

**Identifying a film that you have recently seen, explain how you would programme it for an audience (700 - 1000 words).**

Your completed exercise should be uploaded to the Applicant Portal, or alternatively emailed as an attachment to culture@bbk.ac.uk. Please ensure that you include your reference number and name on each page of the document.

You should complete and upload your entrance task as soon as possible. Failure to submit an entrance task may result in your application being delayed and we may ultimately be unable to offer you a place on the course.
