Student Attendance Framework – in brief

The full version of the ‘Student Attendance Framework’ is available

**Principle**

Consistent and regular student attendance in class (or equivalent) promotes and affords student success. Inconsistent and irregular attendance is less likely to result in student success and is consistent with lower marks and degree classifications being achieved and awarded.

**Attendance expectation**

Birkbeck, University of London expects you to consistently attend all timetabled sessions, including lectures, seminars, group and individual tutorials, learning support sessions, workshops, laboratories, field trips, inductions and demonstrations.

**E-Registers**

All Birkbeck students are issued with student cards. Students are expected to take them to classes and to assessment venues and to present them to a member of staff if requested. This is for the purpose of identifying Birkbeck students.
22 **Student Support and Guidance**

All Birkbeck students have access to a range of student support services, details can be found on our website here: [http://www.bbk.ac.uk/student-services](http://www.bbk.ac.uk/student-services)

23 **Methods of Enhancing Quality and Standards**

The College has rigorous procedures in place for the monitoring and enhancing its educational provision. This includes regular monitoring of programmes drawing on feedback from various sources including external examiner’s reports, student feedback, student achievement and progression data. In addition, departments are reviewed every four to five years through the internal review process that includes external input.
