14	Programme Rationale & Aims
	<p>This multidisciplinary programme gives students the chance to develop skills in different areas of creative media practice, to understand the industrial, political and social context of their work, and to evaluate their own performance. A key objective is to develop their understanding of media culture, so that they can put their own work, and the work of others, in context. The programme offers a wide range of modules taught by practitioners and is intended to develop communication, study, written, teamwork and performance skills.</p> <p>Programme aims:</p> <p>To offer students the chance to develop skills in areas of creative media practice, understanding of the industrial, political and social context of their work, and to evaluate their performance.</p> <p>To develop students' media culture so that they can put their own and others' work in context, and thus develop their professional formation.</p> <p>To develop students' communication, study, written, team-work and performance and creative skills as appropriate, together with students' ability to evaluate their own practice.</p>

15	Entry Criteria
	The Cert HE in Media Practice is open to all who are interested in learning basic practical media skills and understanding their professional and cultural contexts.
